

## Consultant (m/f/d)

immediately in Cologne (full-time, unlimited)

### What we offer:

Short distances, open doors, fun at work, a team of motivated and competent people and all this in a modern office in the middle of the Schanzenviertel! With us, every individual can contribute their skills and passions and further develop their potential. You will work in an innovative and team-oriented environment with open communication, short decision-making processes and good options for personal development.

### These are your tasks:

- Conducting workshops and presentations for customers/interested parties
- Competent customer consulting for the design and optimization of business processes
- Conception of customized customer solutions and preparation of these in the form of Jira tickets and graphic design prototypes (mock-ups)
- Technical contact for developers and coordination of customer projects

### What you bring with you:

- Completed vocational training or studies in the field of economics or business informatics
- ideally 2-3 years of professional experience in relevant areas (e.g. IT consultant, IT project manager or product owner)
- CRM understanding with a focus on customer communication
- Entrepreneurial mindset and analytical thinking skills

### That's us:

With our own software solution sellify as a basis, we develop individual solutions for the organization of daily office tasks and managed communication. Since 2005, well-known customers from a wide range of industries and of all sizes have relied on our concepts to organize their everyday business. Our modern office in a former factory complex in the Schanzenviertel offers free space for creative thinking and solution-oriented work. It is optimally accessible by bus & train and there are also sufficient parking spaces available for those arriving by car.

### Our Benefits (among others):

Working in a team

Unlimited contractual relationship

Flexible working hours & HomeOffice

Performance pay

Team events

Modern Open Workspace

Company laptop

Good transport connections

### Sounds like you?
